### About Agrify (Nasdaq:AGFY)

Agrify is the most innovative provider of advanced cultivation and extraction solutions for the cannabis industry, bringing data, science, and technology to the forefront of the market. Our proprietary micro-environment-controlled Vertical Farming Units (VFUs) enable cultivators to produce the highest quality products with unmatched consistency, yield, and ROI at scale. Our comprehensive extraction product line, which includes hydrocarbon, ethanol, solventless, post-processing, and lab equipment, empowers producers to maximize the quantity and quality of extract required for premium concentrates. For more information, please visit Agrify at <http://www.agrify.com>.
