Agrify Corporation Announces Results from Annual Meeting of Stockholders

January 8, 2024

Meeting adjourned only with respect to charter amendment proposal until January 22, 2024

TROY, Mich., Jan. 08, 2024 (GLOBE NEWSWIRE) -- Agrify Corporation (Nasdaq: AGFY) ("Agrify" or the "Company"), a leading provider of innovative cultivation and extraction solutions for the cannabis industry, today announced voting results from the Company's Annual Meeting of Stockholders on January 8, 2024. At the Annual Meeting, all items of business were considered, with the exception of Item 3, the proposal to increase the number of authorized shares of common stock from 10,000,000 to 35,000,000, and to correspondingly increase the total authorized shares of stock from 13,000,000 to 38,000,000 (the "Authorized Share Proposal"), as further described in the Company's definitive proxy statement and any supplements thereto (the "Proxy Statement").

At the Annual Meeting, approximately 50.6% of the Company's outstanding shares of common stock were represented in person or by proxy, representing a quorum.

The Authorized Share Proposal requires the affirmative vote of a majority of the Company's outstanding shares of common stock as of December 6, 2023, the record date for the Annual Meeting. As of the date of the Annual Meeting, approximately 45.4% of the outstanding shares of common stock as of the record date had been voted in favor of the Authorized Share Proposal. Consequently, the Company adjourned the Annual Meeting with respect to the Authorized Share Proposal only until January 22, 2024.

Shareholders will be able to attend the reconvened Annual Meeting virtually at www.virtualshareholdermeeting.com/AGFY2023 on Monday, January 22, 2024 at 10:00 a.m. Eastern Time. Shareholders who have already submitted their proxy do not need to resubmit their proxy. Proxies previously submitted in respect of the Authorized Share Proposal will be voted at the reconvened Annual Meeting as indicated therein, unless properly revoked in accordance with the procedures described in the Proxy Statement. The record date for determining shareholders eligible to vote at the reconvened Annual Meeting will remain the close of business on December 6, 2023.

The Company strongly encourages all shareholders of record as of December 6, 2023, who have not yet voted for the Authorized Share Proposal, to do so by January 21, 2024 at 11:59 p.m. Eastern Time. Shareholders who have any questions or require any assistance with completing a proxy or voting instruction form or who do not have the required materials, may contact Alliance Advisors using the following contact information: 1-855-935-2554 and agfy@allianceadvisors.com.

If the number of additional shares of common stock voted at the adjourned Annual Meeting is not sufficient to approve the Authorized Share Proposal, the Company may seek to further adjourn the Annual Meeting again, which will require the Company to incur additional costs. Additionally, in the event the Authorized Share Proposal is not approved, CP Acquisitions, LLC may not be willing to extend the maturity date beyond December 31, 2023 on its Senior Secured Note issued by the Company and such failure to approve will limit the Company's ability to obtain future equity financing and/or to convert a portion of its outstanding indebtedness into equity and regain compliance with Nasdaq's shareholder equity listing standard.
